BRILLIANT PUBLIC SCHOOL, SITAMARHI
Class III – SOCIAL SCIENCE – WORKSHEET

Types of Houses

1) Fill in the blanks :

1. Stilt houses are made ten to eleven feet above the _____
2. _____ is a place having heavy rainfall.
3. To reach a stilt house _____ are used.
4. In Shimla houses are made of _____ or _____
5. We use _____ to reach our flat in a multistoreyed building.
6. House boats can be seen in _____ in Kashmir.

2) Match the following :

A	B
Mud Houses	Caravan()
Temperory Shelter	Rajasthan ()
Caravan	Tent ()
Asssam	Ice and Snow ()
Igloo	Heavy rainfall ()

Types of Houses

I. Fill in the blanks

1. A _____ house stands on wooden poles.
2. _____ roofs help the snow to slide off easily.
3. In _____ houseboats are found.
4. An _____ is made of ice and snow.
5. A _____ is a house on wheels.
6. _____ houses are found in cities.
7. We can see house boats in the _____ of Kashmir.
8. _____ is a place having heavy rainfall.
9. We use _____ to go up and down in a multistoried building.

BRILLIANT PUBLIC SCHOOL, SITAMARHI
Class III – SOCIAL SCIENCE – WORKSHEET

II. Tick (✓) the right answer :

1. An Eskimo lives in a/an

tent igloo caravan

2. Stilt houses are found in

Delhi Assam Rajasthan

3. Houseboats are found in

Kashmir Kerala Delhi

4. A stilt house stands on

Road Wooden Poles Roofs

5. A tent is made of

Canvas Wheels Mud

Match the following

Match the following

1. Iglou a) Kashmir

2. Houseboat b) cities

3. Multistoreyed building d) Assam

4. Stilt house c) Temporary house

5. Tent e) Eskimoes

BRILLIANT PUBLIC SCHOOL, SITAMARHI
Class III – SOCIAL SCIENCE – WORKSHEET

III Question and Answer

1. What is an igloo ?-

2. Why do houses in hilly areas have sloping roofs ?

Transport

I) Fill in the blanks :

1. A train moves on _____
2. A _____ checks the tickets of the people who travel by train.
3. Early man had to travel on _____ or on animals.
4. _____ is the fastest means of transport.
5. A _____ carries luggage at the railway station.
6. A _____ is a place where a road and a railway track cross each other.
7. A level crossing helps to avoid _____

II) Name the following :

1. Name any two means of

- Land Transport _____
- Water Transport _____
- Air Transport _____

III) Choose the correct answer :

1. The [Vendors/Coolies]sell things at the railway station.
2. The uniform of [coolies/Vendors] is Red in colour
3. A person who looks after everything at the railway station is [Guard / Station Master]

BRILLIANT PUBLIC SCHOOL, SITAMARHI
Class III – SOCIAL SCIENCE – WORKSHEET

World of Plants

I Fill in the blanks

1. A plant has two parts _____ and _____.
2. Shoot lies _____ the ground and root lies _____ the ground.
3. The green colouring matter in the leaves is called _____.
4. Leaves are called _____ of a plant.
5. _____ leaves are used to colour hands and feet.
6. Tulse is a _____.
7. Rose is a _____.
8. Grapevine is a _____.
9. Pumpkin is a _____.

II Answer the following questions

1. What is chlorophyll ?

—

2. What is photosynthesis?

—

III Read the clues and solve the riddles

1. I can be used as a plate. _____
2. I am used to make chutney. _____
3. I make you mouth red. _____
4. I make you palm red. _____

Label the parts of the plant

Draw, colour and label the parts of a plant (Practice)

The World of Plants.

I) Fill in the blanks :

1. The process by which plants make food is called _____.
2. Plants take in water from the soil through _____.
3. Plants breathe through pores present in their leaves called _____.
4. A _____ turns to a plant.
5. _____ hold the plants firmly in the soil.

II) Name the following :

1. Two trees _____, _____
2. Two herbs _____, _____
3. Two climbers _____, _____
4. Two shrubs _____, _____
5. The food factories of a plant . _____
6. Two creepers _____, _____
7. The part of the plant Above the ground . _____
8. The part of the plant below the ground. _____
9. Plants that have weak stems and grow around some support.

10. Plants that have thin, hard woody stems and looks bushy.

BRILLIANT PUBLIC SCHOOL, SITAMARHI
Class III – SOCIAL SCIENCE – WORKSHEET

III) Choose the correct answer :

1. Tulsi is (climber/ herb).
2. A green colouring matter present in the leaves is (chlorophyll/ photosynthesis).
3. Rose is (shrub/ trees).
4. Big and strong plants with thick trunks are (trees/ creepers) .
5. A grape vine is a (shrub/ climber).
6. Plants that have weak stems grow along the ground are (shrubs/ creepers).

IV) Write True or False :

1. Water helps to carry food to different parts of the body (_____).
2. Plants do not need water to grow (_____).
3. Leaves are of different shapes, colours and size. (_____)
4. Leaves have many uses. (_____)
5. Mehendi leaves are used to colour hands and feet. (_____)

V) Draw, colour and label the parts of the plant. :

BRILLIANT PUBLIC SCHOOL, SITAMARHI
Class III – SOCIAL SCIENCE – WORKSHEET

The word of Plants

I) Name the following :

1. Any two trees : _____,

2. Any 2 shrubs : _____,

3. Any 2 Herbs : _____,

4. Any 2 creepers: _____,

5. Any 2 climbers : _____,

6. The two main parts of a plant : _____,

7. The food factory of a plant : _____
8. The part of the plant above the ground : _____
9. The part of the plant under the ground : _____
10. Plants that have weak stems and grow around some support

11. Plants that have thin, woody stem and look bushy _____

II) Fill in the blanks :

1. _____ hold the plant firmly in the soil.
2. Roots suck in water and minerals from the _____
3. _____ leaves are used to colour hands and feet.

III) Choose the correct answer :

1. Leaves are of different shapes, colours and sizes [True/ False].
2. Leaves have many uses [True/ False]
3. A green colouring matter in the leaves are [Photosynthesis / Chlorophyll]
4. Rose is a [Shrub/ Tree]
5. A grape vine is a [Climber/Shrub]
6. Plants that have weak stem and grow along the ground are [Shrubs/ Creepers]
7. Plants that are big and strong and have thick trunk are [Trees/Creepers]
8. The process by which green plants make food is [Chlorophyll/ Photosynthesis]

BRILLIANT PUBLIC SCHOOL, SITAMARHI
Class III – SOCIAL SCIENCE – WORKSHEET

BIRDS

I Fill in the blanks

1. Birds are animals having _____ legs.
2. Birds have feathers and _____.
3. Most birds can _____.
4. The _____ can rotate its neck backwards.
5. The _____ and _____ can imitate our voice.
6. _____ feathers cover the body.
7. _____ feathers keep the body warm.
8. _____ feathers form the wings of a bird.
9. _____ are the only animals which have feather.

II True or False

1. Birds have teeth. ()
2. All the birds can fly. ()
3. The peacock can fly for a very long distance ()

III Name these birds

Name these birds

Label the parts of the bird

BRILLIANT PUBLIC SCHOOL, SITAMARHI
Class III – SOCIAL SCIENCE – WORKSHEET

IV Answer the following questions

1. What are the features that help a bird to fly?

2. Name three types of feathers.

BRILLIANT PUBLIC SCHOOL, SITAMARHI
Class III – SOCIAL SCIENCE – WORKSHEET

Birds

1. Name two birds
2. Name the bird that can rotate its neck backwards to a great extent.
3. Name the bird that can imitate other voices.

II) Fill in the blanks :

1. _____ have two legs
2. _____ are the only animal which have feathers.

II) Write True or False :

1. Birds have teeth.
2. All the birds can fly.
3. The peacock can fly for a very long distance.

Beaks of Birds

I) Fill in the blanks :

1. _____ has a strong and hooked beak.
2. _____ has a broad, flat and spoon like beak.
3. A _____ has a sharp, chisel like beak..

I) Write True or False:

1. Different birds have different kinds of beaks and claws.
2. Duck can easily dig soft mud near a pond to find worms.
3. Birds use their beaks to eat.
4. Sparrows, finches, pigeons and peacock have short, hard and pointed beaks.

BRILLIANT PUBLIC SCHOOL, SITAMARHI
Class III – SOCIAL SCIENCE – WORKSHEET

Work We Do

I. Fill in the blanks :

1. The time which we use to relax is called _____ time.
2. A balance between _____ and _____ should be maintained.

II. Name the following :

1. Name three things that you do in your free time.

a) _____ b) _____ c) _____

2. Name any three occupations.

a) _____ b) _____ c) _____

Work we do

Fill in the blanks.

1. The time which we use to relax ourselves is called _____.
2. People living in cities work in different places like factories , _____, hotels etc.
3. We have hobbies like _____ and _____.
4. A _____ makes furniture.
5. A _____ makes the shoes.
6. A _____ mends the tap.
7. A _____ stitches clothes.

BRILLIANT PUBLIC SCHOOL, SITAMARHI
Class III – SOCIAL SCIENCE – WORKSHEET

Means of Communication

I. Fill in the blanks :

1. Telegrams are mostly used to send _____ messages.
2. Letters and telegrams are the common means of _____.
3. We use an _____ to send a letter to another country.
4. A _____ collects the letters from the letter-box.
5. The telephone was invented by _____.
6. E-mail is sent through a _____.

II. Expand :

1. S T D : _____
2. I S D : _____
3. E-mail : _____

III Underline the correct answer :

1. The television was invented by (Marconi / John Logie Baird)
2. We use (STD/ISD) to talk to people living in other states of our country.
3. If we want to send a message even more quickly than a telegram, we use a (letter / telephone)
4. We use (STD/ISD) to talk to people living in other countries.

IV. Name the following :

1. Any two means of individual communication.
a) _____ b) _____
2. Any two means of mass communication.
a) _____ b) _____

BRILLIANT PUBLIC SCHOOL, SITAMARHI
Class III – SOCIAL SCIENCE – WORKSHEET

Crawling Animals

I. Fill in the blanks :

1. _____ means to move slowly on one's feet.
2. Most of the crawling animals prefer _____ and _____ places.
3. A _____ catches a prey in its web.
4. _____ carry disease causing germs to our food.
5. _____ is a black and yellow flying insect that can sting.
6. _____ is an animal that eats ants.

II. Name the following :

1. Two animals which crawl :
a) _____ b) _____
2. Two insects which crawl as well as fly.
a) _____ b) _____
3. Two insects.
a) _____ b) _____
4. Two animals which are the enemies of crawling animals.
a) _____ b) _____
5. Two crawling animals which suck the blood of animals and humans.
a) _____ b) _____

III. True or False :

1. Lice suck blood ()
2. Spider is an insect ()
3. Black ants live in rotten wood. ()
4. Letters take a long time to reach their destination. ()

BRILLIANT PUBLIC SCHOOL, SITAMARHI
Class III – SOCIAL SCIENCE – WORKSHEET

Crawling Animals.

Fill in the blanks.

1. _____ means to move slowly on one's feet.
2. _____ have six legs.
3. A Spider has _____ legs.
4. _____ live in the soil.
5. _____ is an animal that eats ants.
6. _____ carry disease causing germs to our food.
7. A _____ catches a prey in its web.
8. _____ is a black and yellow flying insect that can sting.

Name the following

1. Any two insects that crawl as well as fly. _____.
2. Any two animals that suck blood on the bodies of animals and animals.
_____.
3. Any two enemies of crawling animals.
_____.
4. Any two crawling animals
_____.
5. Any two crawling animals that are found under dead leaves, rocks or on damp ground.
_____.

BRILLIANT PUBLIC SCHOOL, SITAMARHI
Class III – SOCIAL SCIENCE – WORKSHEET

Soil

FILL IN THE BLANKS

1. _____ is the uppermost LAYER OF THE Earth's crust.
2. _____ get water and minerals from the soil.
3. _____ is the best soil for growing plants.
4. Soil is formed by breaking up of _____.
5. _____ is very sticky soil and is used for making pots and toys.
6. _____ contains the dead remains of plants and animals.

WRITE TRUE OR FALSE

1. Soil is formed in a number of layers. _____
2. Loam contains both gravel and clay. _____
3. Sand is mixed with cement and used for making buildings. _____
4. Soil is the home of many small animals. _____
5. Subsoil is the top layer of the earth. _____
6. Topsoil is light coloured. _____

Soil

I) Fill in the blanks :

1. _____ is the uppermost layer of the Earth's crust.
2. Plants get water and minerals from _____.
3. _____ is the best soil for growing plants.
4. Soil is formed by the _____ up of rocks.
5. _____ contains both sand and clay.
6. _____ contains the dead remains of plants and animals.
7. _____ is made up of very small particles.
8. _____ is used for making toys and pots.
9. _____ does not hold water.
10. _____ is made up of big particles.

II) Write True or False :

1. The bottom layer of soil is called as subsoil. (_____)
2. Soil is the home of many small animals .(_____)
3. Soil is formed in a number of layers. (_____)
4. Gravel is the best soil for growing plants. (_____)
5. Farmers add manure to the soil to grow better crops. (_____)

BRILLIANT PUBLIC SCHOOL, SITAMARHI
Class III – SOCIAL SCIENCE – WORKSHEET

III) Name the following :

1. The different kinds of soil
 - a. _____
 - b. _____
 - c. _____
 - d. _____
2. The three layers of of soil
 - a. _____
 - b. _____
 - c. _____

BRILLIANT PUBLIC SCHOOL, SITAMARHI

Our Body

FILL IN THE BLANKS

1. A group of tissues form an _____.
2. The vessels taking blood away from the heart are called _____.
3. The _____ controls all the organs of the body.
4. The air which we breathe out contains _____ and _____.
5. Our body uses oxygen to burn food and release energy. This process is called _____.
6. _____ together with bones help the body and its part to move.
7. _____ system protects all the organs inside the body.
8. Cells of the same kind make a _____.
9. Circulatory system consists of the _____ and _____.
10. We learn , think and act with the help of our _____ system.

WRITE TRUE OR FALSE

1. The word artery comes from Greek word meaning air carrier. _____
2. There are nine systems in our body. _____
3. Five sense organs which help us to know the world around us.

4. We breathe through our mouth. _____
5. Our body uses carbon dioxide to burn food and release energy. _____
6. Nervous system consists of the brain and the nerves. _____
7. The blood supplies food, oxygen and other materials to all parts of the body.

8. Our body has a framework of more than 200 bones. _____

BRILLIANT PUBLIC SCHOOL, SITAMARHI
Class III – SOCIAL SCIENCE – WORKSHEET

MATCH THE FOLLOWING

- | | |
|-------------|------------------------|
| 1. Liver | Respiratory system () |
| 2. Windpipe | Digestive system () |
| 3. Vein | Skeletal System () |
| 4. Tongue | Excretory System () |
| 5. Kidney | Sense organ () |
| 6. Bones | Circulatory system () |

Our Body

I) Fill in the blanks :

1. The food changes into a fine paste in _____.
2. Juices present in the stomach and small intestine _____ the food.
3. The oxygen burns the _____ to give energy.
4. We breathe through our _____.
5. The hair present in the nose cleans the air by catching _____ and _____ particles.
6. The chest _____ when we breathe in and _____ when we breathe out.
7. The vessels bringing blood towards the heart are called _____.
8. The word _____ comes from Greek word meaning air carrier.
9. If all our nerves are joined end to end they will go round the equator _____ times.
10. The waste matter in the form of expired air is _____ gas.

II) Name the following :

1. The organs of respiration.
_____, _____
2. The gases involved in the process of respiration.
_____, _____
3. The air we breathe out contains
_____, _____
4. The process of removing waste matter from our body.

5. The thread like tubes called blood vessels
_____, _____

BRILLIANT PUBLIC SCHOOL, SITAMARHI
Class III – SOCIAL SCIENCE – WORKSHEET

6. The system that consists of brain and nerves.

_____ , _____

7. The system which helps to produce babies

8. The system that takes food and changes its form to give us energy

9. Muscular system consists of

_____ and _____

10. The system that gives shape and support to our body.

III) Write True or False :

1. The food which is not useful goes into the large intestine and is sent out through rectum and anus . []
2. Our body uses oxygen to burn food and release energy. []
3. The arteries are the blood vessels which take the blood away from the heart. []
4. The brain receives messages and gives orders for action. []
5. More than two thirds of our body is made up of water. []

The Earth and The Moon

FILL IN THE BLANKS

1. The flat ends of the earth are called the _____.
2. _____ of the earth's surface is covered with water.
3. When it is _____ in India, it is night in _____.
4. The moon takes _____ days to revolve once round the earth.
5. Sometimes we do not see the _____ up face of the moon at all. It is called the _____ moon

NAME THE FOLLOWING

1. A group of stars that forms interesting patterns in the sky . _____
2. Name two constellations. _____, _____
3. Any two phases of the moon. _____, _____
4. Two movements of the earth. _____, _____
5. The planet that looks like an orange. _____, _____
6. The natural satellite of earth. _____

The Earth and the Moon

I) Fill in the blanks :

1. The flat ends of the earth are called _____.
2. The _____ earth causes day and night.
3. _____ are caused due to the revolution of the earth.
4. The earth rotates on its _____.
5. The heavenly body that revolves round a planet is called _____.
6. The moon revolves round the earth once in _____ days.
7. _____ is our nearest neighbour in space.
8. When we see the whole lit up face of the moon it is called _____.

II) Name the following :

1. The imaginary line between north pole and south pole _____
2. Time taken for one rotation . _____
3. Time taken for one revolution. _____
a) Any two constellations. a) _____ b) _____
4. Two types of movements of the earth.
a) _____ b) _____

IV Name the following :

1. Name any three trees

_____, _____, _____.

2. Name any two herbs

_____, _____.

3. Name any two shrubs.

_____, _____.

4. Any two climbers.

_____, _____.

5. Any two creepers.

_____, _____.

6. Any three plants that you have heard of but never seen

_____, _____, _____.

BRILLIANT PUBLIC SCHOOL, SITAMARHI
Class III – SOCIAL SCIENCE – WORKSHEET

Underline the correct answer

1. Trees shed their leaves in the (autumn / spring) season.

Fill in the blanks

2. Roots holds the plant _____ in the soil.
3. Roots suck in _____ and _____ from the soil.

Mapping my neighbourhood

I) Fill in the blanks :

1. A _____ is a rough drawing.
2. All maps have _____ at the top.
3. A _____ helps to find directions.
4. A map is a drawing made to _____.
5. The sun rises in the _____ and sets in the _____.

II) Choose the correct answer :

1. The needle of the compass always points to the (north / south)
2. A (sketch / map) is a rough drawing.
3. A (map/sketch) is a drawing made to scale.
4. When we are facing the rising sun in the morning, we actually face the (East/
West).

IV) Name the following :

1. Name the four directions .
2. An instrument that helps to find directions.

Animals are useful

I) Name the following :

1. Name any two domestic animals.

_____ , _____

2. Name two pet animals.

_____ , _____

3. The animal that carry heavy load.

4. The animal that gives us wool.

5. The animal that gives us milk.

II) Fill in the blanks :

1. Hens eat _____ and _____.

2. The silk worm gives us _____.

3. The honey bee gives us _____.

4. The oxen are used to _____ the fields.

5. The _____ makes the soil fertile.

6. Hen gives us _____.

Animals are useful

Name the following

1. Two domestic animals. _____ , _____.

2. Two pet animals. _____ , _____.

3. The animal that give us wool. _____ , _____.

4. The animal that carry heavy loads for us. _____

5. The animal that helps to plough the field _____.

Fill in the blanks.

1. The _____ makes the soil fertile.

2. The _____ carries logs of wood.

3. The _____ gives us silk.

4. The _____ gives us honey.

5. The hen gives us _____.

Nature's Gift

FILL IN THE BLANKS

1. Things given to us by nature are called _____ resources.
2. Living things cannot live without _____.
3. The _____ is the only planet to have water.
4. _____ is the uppermost layer of the earth's crust.
5. A _____ treat sick or injured animals.
6. The Government of India has started 'Project Tiger' to protect the _____.

II. WRITE TRUE OR FALSE

1. We can not see air but we can feel it. _____
2. Without water, life is possible. _____
3. We must take care of plants and animals. _____
4. We should throw the garbage on the road. _____
5. We should water the plants regularly. _____
6. We should tease animals. _____
7. If air or water gets dirty it can cause many diseases. _____

NAME THE FOLLOWING

1. Three layers of the soil.
 - a.
 - b.
 - c.

2. Three natural resources.
 - a.
 - b.
 - c.

BRILLIANT PUBLIC SCHOOL, SITAMARHI
Class III – SOCIAL SCIENCE – WORKSHEET

3. Three things that cause noise pollution.

a.

b.

c.

4. The plant that has water. _____

5. The uppermost layer of the earth's crust. _____

6. The project started by the Government of India to protect the tiger.

Nature's Gift

FILL IN THE BLANKS

1. _____ is the uppermost layer of the earth's crust.
2. The _____ is the only planet to have water in it.
3. Loudspeakers, horns and loud music cause _____ pollution.
4. Noise pollution can make people _____.
5. _____ treats sick and injured animals.
6. The Government of India has started _____ to protect the tiger.
7. If air or water gets dirty it can cause many _____.
8. Air becomes fresh by _____.

WRITE TRUE OR FALSE

1. We can see air but we cannot feel it. _____
2. Water is very important for us. _____
3. Water gets polluted by burning of garbage. _____
4. We must keep the earth clean and green. _____
5. The things which are given to us by nature are called Natural Resources.
