Dear Parents and Students,

With great pleasure, we present to you the very 1st annual report of our school for the academic year 2007 – 08.

We started our journey in April 2007 with 250 students and 15 staffs as a primary school.

The school has carved a niche for itself among the cluster of educational institutions in the city but the motto of the school is striving for excellence so we will not bask in the glory of our laurels but keep moving forward in our quest for perfection. Here is the Annual report for the year 2007-08.

The students of our school have made the school proud by clearing different competitions and getting admission in prestigious institutions.

These children have proved that where there is a will, there is a way.
