Annual Report for the Session: 2009-10

Dear Parents and Students,

With great pleasure, we present to you the 3rd annual report of our school for the academic year 2009 – 10.

We started our journey in April 2007 with 250 students and 15 staffs as a primary school. As last year, this year also was filled with lot of activities, to mention some of them: Kargil day, Independence day, Teachers day, Children's day, Christmas & New year, Republic day, School Annual day and our students birthdays. It is not out of place to mention that the parents also take keen interest in these celebrations and encourage our children to develop National spirit during these days.

As our new commitment statement says: **Creating future leaders with concrete human values**. We have always had a holistic development approach of our students. In addition to our efforts to impart quality education as per global standards, we also provide equal importance to extra-curricular activities like cultural programs, value education, sports, physical education, self-development etc. We have been exploring various technology means to keep in touch with our parents.

Co-curricular activities are those activities which are in addition to classroom instruction and do not result in a grade nor credit. Any activity for which a grade is issued is not considered a co-curricular activity. The Co-Curricular activities are enforced for all students whenever they are acting as a representative of the school (e.g. practices, games, trips, camps and tours, etc.).

This activities facilitated the all-round development of children. Cultural programmes, sports, community service, etc. are the examples of C.C.A. These activities, not only, strengthens the subject matter, they also nourish students' attitude, interest and personality.

Besides academics, Inter-house activities are planned to instill a spirit of competition. Among these activities are Elocution, Debate, Quiz, Dramatics, Painting, Creative writing, Vocal and Instrumented Music, Art & craft, paper flower making, needle work etc.

Activities: This year was also filled with lot of activities and we also appreciate the support and encouragement of our parents. Few of our activities include:

Fancy dress competition: Students from all the classes – Nursery to Class VIII participated in the fancy dress competition organized at the school premises. We will like to mention that we have seen creativity, efforts and commitment from all the students.

Health education program: There was special session every second Saturday of the month on various topics related to health, hygienic, counseling, nutrition etc.

PTA meeting: PTA meeting has been a regular affair every second Saturday of the month. The objective of these sessions is to seek the parent's participation and seek regular feedback.

Special focus sessions: We organized sessions for the high school students on various topics like soft skills, disaster management, first aid, fire and safety, social responsibility, leadership skills, career planning and self-development.

Competitions: Our students participated in various competitive examinations to name a few: Science talent examination, General knowledge examinations, Jawahar Navodaya examination, Seminar and quizzes and technological museum and competitions at the cluster level.

Rangoli competition: As part of the school celebrations, students from all the classes – Class I to VIII participated in the Rangoli competition organized at the school premises. The entire premises was colorful with active participations from the students.

Art & Craft competition: Students organized and participated in the Art & Craft competition in the school premises. There was lot of creative items handmade and displayed. The attraction of the day was the "Devil's house" with a new sense of creativity.

Celebrations: We celebrated all the key functions including Kargil day, Independence day, Republic day, Teacher's day, Children's day, Christmas & New year, School annual day and our students Birthday's.

Management: Our Management, which includes individuals from various fields, has provided all the support and guidance to ensure that we maintain the set standards and commitment.

The management has weekly meeting with all the teachers to review the activities of our school and plan for the future. Our Management provides opportunity for the differently able person with priority during appointment. Fees concession was granted to 125 students which amounts to approximately over Rs.100000.00.

Facilities: The syllabus and books have been revised to ensure that the students have the updated curriculum. More work books have been introduced in Nursery section to help teachers to pay personal attention to the students. Our facilities include Quality infrastructure with full-fledged computer lab, Science lab and Library.

Our family: Our family includes 23 teaching staff, 7 Non-teaching staff and 3 drivers. Our staff are qualified and experienced in their respective field to ensure care for the children.

We would like to thank the students, parents, teachers, management, media & our well-wishers for all the enhanced support and encouragement. This is the support that helps us move ahead and in maintaining high standard of education and discipline in our school. We are also thankful to the management for all the support extended to this school. The school has helped in the transformation of the social, cultural and educational pattern of the students in this society.

We take this opportunity to commit ourselves to do our best to serve this society through quality education. We seek the blessing from the God Almighty to help and guide us in the future in the right way.

Thanks and Best wishes as always!!!

Dr. Sunita Jha

Principal
