## Annual Report for the Session: 2010-11

---

Dear Parents and Students,

With great pleasure, we present to you the 4<sup>th</sup> annual report of our school for the academic year 2010 – 11.

As we approach the end of this academic year and our 4th year of service towards providing quality education in Sitamarhi since our inception in 2007. We would like to take this opportunity to thank the Almighty lord for his abundant blessings and guidance. We cannot forget the encouragement, support and guidance from our patrons, parents, students, teachers and our well-wishers. These blessings and support helped us achieve a good year where we were able to teach our students “HOW to LIVE”.

There is a great saying: Real education fetches you more than a job. It teaches you to live. It cannot be measured in any tangible way.

This year our focus was to encourage team effort among our students. We believe that we were successful, as the team spirit was exhibited in the internal events organized which included *Fancy dress competition, Rangoli competition, Art & Craft exhibition and Drawing competition*. We could sense the team spirit right from the team formation to the execution. We are proud of our students for practicing what we teach.

To ensure that our students are equipped to face any challenge, we have focused sessions on special topics including disaster management, first aid and health education, traffic rules, Social responsibilities, environmental studies, fire prevention, soft life skills, leadership skills, career planning and development etc.

As we share the yearly updates of our activities, we take modesty to say that did more than what we planned and we are proud of our students and teachers who strive hard to achieved beyond expectation. As always, our focus was on holistic development of the students. Real education took the centre stage as every year. We incorporated new and updated books to ensure that we don't compromise of the quality of the education imparted.
