Our school management has given concession to 125 students which amounts to approximately over One lakh.

Brilliant Public School family comprises of 35 teaching staff, 7 Non-teaching staff and 8 drivers. All our staff members are well qualified and experienced in their respective field to take care for the children.

We have six school buses to pick up and drop our children safely to school and back home.

What we have assessed about the students in general is that they are not ambitious and thus they lack vision and targets to achieve. This has to change. This is an age of cut throat competition which calls for determined efforts and whole hearted dedication. This is for us teachers and the parents to awaken the youth to realize the challenges ahead.

We are thankful to the management of Brilliant Public School for all the support extended to this school. The school helps in transformation of the social, cultural and educational pattern of the people in this area. Our Management provides opportunity for the differently abled person with priority during appointment.

We express our sincere thanks and heartfelt gratitude to all our students, parents, well-wishers and patrons of our school without whose help we would have not been in a position to maintain high standard of education and discipline in our school. We take this opportunity to commit ourselves to do our best to serve this locality through quality education. We seek the blessing from the God Almighty to help and guide us in the future in the right direction.

Thank you and best wishes!!
