Discussion on the Agenda

1. All the members were quite happy and rejoiced the up gradation of the school to Sr. Secondary level.
2. Although the quality of education in the school has further improved, the class room discipline has deteriorated due to some weak students who are getting private tuition outside and not concentrating in class. Strict action has been proposed and initiated in this regard.
3. The school prospectus for year 2014-15 is in progress. Existing fee structure in session 2013-14 is proposed for year 2014-15 with monthly school fee Rs. 1300.00 and caution money (refundable) as Rs.1300/- for class XI.

This was discussed. Some members were of the opinion to enhance the fee structure to the level of other two Sr. Secondary schools in the district e.g. Hellens School & NSDAV School so that this school is treated at par with these two schools Majority of members opined to continue better standard of teaching and discipline in the existing fee structure.

This was agreed by the SMC members.
